

Building Inclusive Communities

VOLUNTEER SERVICES

Our Volunteer Services is funded by the United Way of Peterborough and District. We aim to recruit and match volunteers with people on a one-to-one basis, or group environment. Volunteers play a vital role in the Agency's vibrancy, and in connecting people to their community. Contact A.J. McNaught for more information at (705) 743-2412 ext 551.

MEMBERSHIP SERVICES

Community Living Peterborough relies on the generosity of its members and donors, who contribute their time and resources. They are invaluable to the agency and the people we support.

To learn more about becoming a free Associate Member or a General "Voting" Member through a donation, please contact Lisa Clarke at (705) 743-2412 ext 539.

BOOK A SPEAKER

Looking for an interesting Guest Speaker?

As an agency dedicated to improving the quality of life of people living with an intellectual disability, we welcome the opportunity to educate about the positive impact people living with an intellectual disability can have on our community.

Everyone can help build an inclusive community... find out how YOU can play a role!

Building Inclusive Communities

*Opening Doors to
Equal Opportunities
for People Living with an
Intellectual Disability*

MISSION: To inspire respect and equality for people with an intellectual disability by promoting: community knowledge, organizational excellence and individual quality of life.

Building inclusive communities since 1953, Community Living Peterborough is a non-profit organization that provides supports and services to children, youth and adults living with an intellectual disability and their families. People are supported to live, learn, work and participate in their community.

SUPPORTED LIVING

We aim to facilitate the most suitable living options for adults over the age of 21. Regardless of a person's level of independence, each living option is designed to encourage growth, independence and participation within the community, as well as provide a secure and supportive home environment. We provide shared living accommodations for people in a Community Home environment and personalized support for people living on their own through our Supported Independent Living program.

FAMILY SUPPORT

We offer a range of supports for children and youth up to age 28, and their families. We work with families to ensure each child maximizes learning, develops friendships and is part of the life of their school and community. During the transitional years from 14-28 years of age, specific focus is given to youth and their families, for their transition from childhood and adolescence, to adulthood and independence as a contributing citizen in community.

PERSONAL OUTCOMES PLANNING

Building supports for people of all ages, that are based on a person's goals, gifts, strengths and dreams is what we call Personal Outcomes Planning. By giving people the opportunity to explore resources in their community and try new experiences, they can be active participants in choosing the services and supports they need. They are in the driver's seat when it comes to identifying where they want to live, what they want to do during the day, and the community activities and social opportunities they want to participate in. Such choices will create opportunities to deepen existing relationships, develop new connections, and help build an inclusive community. Under the age of 14, families are critical to the planning for their child.

BLUEBOXING @ FLEMING & TRENT

Blueboxing is an environmental partnership between Community Living Peterborough, Fleming College and Trent University. The Blueboxing Team works alongside student volunteers, dedicating their time to recycling, composting, and sustainable initiatives.

COMMUNITY ACCESS

By working in partnership with people and their support networks, we facilitate people to have meaningful choices in their community. Whether it's working independently, in a supportive environment, volunteering or participating in community recreational and social groups, what people do needs to be fulfilling, enjoyable and part of a person's goal.

SELF ADVOCACY

People First, Peterborough Chapter is a self governing body of self advocates speaking up for the value, dignity, and human rights of people living with an intellectual disability. The Peterborough Chapter works in partnership with Community Living Peterborough. Contact (705) 743-2412 ext 536 for more information.

Building Inclusive Communities

VISION: That all people live in a state of dignity, share in all elements of living in the community, and have the opportunity to participate effectively.
